Inner West

Neighbour Aid 

Now is a great time to volunteer

Our visiting program supports clients who find it difficult to get out in the community. Clients look forward to, and gain confidence from social interaction in a familiar setting.

Volunteer with us if you are interested in:

- Helping someone maintain their independence
- Using your social skills to make a difference

As a volunteer you will visit clients in their home or residential facility in the Inner West on a regular basis. You will be matched on your interests, experiences and outlook on life. Visits are relaxed and social. You might chat, reminisce, listen to music, read the newspaper or play card games together.
