

Gardening Volunteers

- Enjoy the outdoors
 - Make friends
- Give back to the community

Do you enjoy the outdoors? Have a green thumb or want to work with those that do? Be part of a team who help frail aged and disabled people to stay in their own home by helping to look after their garden. Our amazing Garden Aid team provides easy care gardens for vulnerable people. This is a wonderful opportunity to help out in the community and make new friends. Volunteering with Inner West Neighbour Aid is the perfect chance to get to know gardens and gardening better, in a feel-good environment. Be part of a great team volunteering for a great cause. Morning tea provided. Call (02) 9799 5099 or email rochelle@iwna.com.au for more information or to apply.
